Big Arm State Park Major Maintenance Improvements

Montana Fish, Wildlife & Parks (FWP), Region One, has completed a draft environmental assessment (EA) for Big Arm State Park (R21W, T24N, Lake County) for the purpose of site improvements, including the addition of two yurts, relocation of existing host pads, new storage shed, relocation of boat trailer parking area, construction of a handicapped-accessible campsite and accessible vault toilet, relocation of the day-use picnic/swim area, and addition of three tent sites to area previously used for picnicking.

During the 30-day public comment period, there were three comments received. The concerns are addressed in the record of decision (ROD). Alternative 2 of the draft EA, with modifications as set forth in both the ROD and final EA, is the preferred alternative. Copies of the ROD are available on the FWP web site at fwp.mt.gov, or call (406) 751-4579 for copies of the ROD or final EA .

Contact person: Jerry Sawyer, Park Manager, Flathead Lake State Park, FWP, 490 N. Meridian Rd., Kalispell, MT 59901, or e-mail jsawyer@mt.gov.
